Cathouse FUNeral Harvested: The Hunt Intensifies

JANUARY 08 TO FEBRUARY 19

Coustof Waxman

10 Montgomery Street

(347) 560-0120

The cathouse funeral is one long procession! The displaced Williamsburg venue has been enjoying an extended afterlife in a series of pop-up venues and ghost sightings, sometimes with the walls of its old home making literal appearances. For this show there are works by Davide Cantoni, Farideh Sakhaeifar, Jeannie Weissglass, Camel Collective, Daniel Swanigan Snow, Suzy Spence (pictured here) and Elizabeth Harney, with "harvestings" from Brad Benischek's 'Ghost City' (May 2015) and David Dixon's Cathouse FUNeral.
